

12-Week Session Programs Reference Information 2023-24

Please keep this handy for future reference:

- If you are unable to attend a class, please call Olympic Indoor Tennis at (614) 267-1213. This is how we are able to provide makeup spots for other players.
- Club members are eligible for priority registration 1 week prior to non-members.
- A 4-week dropout notice is required. In case of injury, up to 2 weeks of charges may incur.
- Black-soled shoes are not permitted on the courts unless they are specific non-marking soles that are made for tennis.

Makeup Policy

- One makeup class per session is permitted if playing slots are available, as long as the player has informed the club in advance of the absence. A makeup is not guaranteed.
- If you request a makeup, we will do our best to place you in a similar class. Please do not arrive for a makeup class without pre-approval, as the class may be full.
- If you are scheduled for a makeup and do not attend, another makeup will not be provided.
- Makeups cannot be extended into the next session. Sessions will not be prorated or refunded due to non-attendance.
